God, All Nature Sings Thy Glory

How many are your works, O LORD! In wisdom you made them all; the earth is full of your creatures. Ps. 104:24

1. God, all nature sings thy glory, and thy works proclaim thy might;
2. Clearer still we see thy hand in man whom thou hast made for thee;
3. But our sins have spoiled thine image; nature, conscience only serve
4. God of glory, power, mercy, all creation praises thee;

order'd vastness in the heavens, order'd course of day and night;
ruler of creation's glory, image of thy majesty, as unceasing, grim reminders of the wrath which we deserve.
we, thy creatures, would adore thee now and through eternity.

beauty in the changing seasons, beauty in the storming sea;
Music, art, the fruitful garden, all the labor of his days,
Yet thy grace and saving mercy in thy Word of truth revealed
Saved to magnify thy goodness, grant us strength to do thy will;

all the changing moods of nature praise the changeless Trinity,
are the calling of his Maker to the harvest feast of praise.
claim the praise of all who know thee, in the blood of Jesus sealed.
with our acts as with our voices thy commandments to fulfill.
